

## HOW TO RECORD MOVIES AND TV SHOWS

To record a TV series from the guide:

- Highlight the show you want to record - Press the info  button. You will then be able to choose either to record this one episode or create a OnePass which will give you the option to record the entire season.

To record a Movie from the guide:

- Highlight the movie you want to record on the guide - Press the info button. Select record this movie.

**Hint:** To find all your recordings go to the TiVo home screen and select My Shows.
