

How to View your Internet Data Usage

The best way to predict your future home internet needs is to look at your current and past usage. You can view your internet data usage to ensure you are on a plan that meets your needs. Here's how:

1. Log in to [MyMascon](#), enter in your email and password credentials then click the Login button.

My Mascon Login & Registration

Easily view your bills, track internet data usage, make credit card payments and more with My Mascon.

To login, enter your email address and password or phone number and PIN code.

If you have not previously registered an email address and password, you will be prompted to do so.

Reminder: You will need your last invoice amount. This can be found on the first page of your most recent Mascon invoice under Amount Due.
Do not include the \$ sign.
Ex: If your invoice amount is \$65.07, input 65.07.

New customers: You will enter 0.00 as your last invoice amount.
Do not include the \$ sign.

To register, click here: [Create a My Mascon account.](#)
