

How to add Apps and your other Streaming Accounts to Mascon Stream TV

If you don't see the app you want on Mascon Stream TV, you can search Google Play Store to add the app to Mascon Stream TV yourself.

Here's how:

1. Press the TiVo button  to go to the home screen.
2. Select Apps & Games.
3. Select Google Play Store - you will need to sign in with your Google Credentials if you haven't already.
4. Select the App you want - then click OK to install.
5. Sign into the App with your App Credentials.
6. Repeat these steps to download more apps.

You will now be able to Access your new Apps like Youtube, Prime Video, and Netflix from the Apps & Games section in the home screen.
