

How to program your Polaris Remote Control

Turn on your TV and follow the steps below to set up your remote.

Be sure to point the remote at your TV during setup.

1. Locate the code for your device from the [Polaris Remote Manual](#).
2. Press the **TV POWER** button.
3. Press and hold the **SETUP** button on the remote until the mode key flashes twice.
4. Enter the code found in step one.
5. Press the **POWER** button on your remote to test your equipment. If the device turns off, the programming was successful. If the device does not power off repeat steps 1-4 with the next code for your equipment.
